Dear Mr. Dulles:

The entire College is looking forward with pleasure to your forthcoming visit to address the members of the College and our distinguished guests during the sixth National Strategy Seminar.

I am sending a copy of the Program Booklet which in addition to reflecting the scheduled addresses, contains other pertinent information of interest to you.

Also included is a draft biographic sketch which we plan to publish in a brochure along with similar sketches of other speakers and guests. I would appreciate your early review of the sketch to insure its accuracy and completeness. Please make any desired additions, deletions or changes and return in the addressed envelope inclosed for your convenience.

At a later date, a member of my staff will contact your office for information relative to your travel plans.

Your participation as a principal speaker is most gratifying and I am confident will make a significant contribution to the overall success of the Seminar.

Sincerely,

Wm. P. ENNIS, JR.
